I am not constructing sidewalks as there are none in this neighborhood and probably will never be. There is one walk near here of flagstones and this type is in keep-

ing with the house we have built.

We are using a bonded man for the work and can assure you that it will be done properly.

Thanking you for your consideration, I am

**** See page 399 for ordinance passed before Councilman Alford left.

"Austin, Texas,
June 17, 1932.

Mr. Adam Johnson,
City Manager,
Austin, Texas.

Dear Sir:

On yesterday, the Guaranty Mortgage and Realty Company sold to Mrs. Frank Roll, lots Nos. 12 and 13, Block A. of Benson Subdivision in Outlet No. Fifty-one in Division "O" for the sum of \$1,000.00.

To complete this sale, it was necessary to pay as shown by the City Tax Rolls, all taxes then assessed against said property. The improvements on said property have been assessed for the years 1928, 1929, 1930 and 1931 for the sum of \$1,720.00. This assessment was excessive as the improvements together with the two lots were sold for \$1,000.00. The property was assessed to Mrs. O. C. Rabish for the years shown above and the tax receipts are Nos. 10062, 11912, 19155, 16428.

I would thank you to call this over assessment to the attention of the proper parties and after investigation request the City Council to make a refund of taxes for the years 1928, 1929, 1930, 1931, to the Guaranty Mortgage and Realty Company.

Yours very truly,
(Sgd.) Jno. A. Gracy."

"Austin, Texas,
July 1, 1932.

Mr. T. B. Marshall,
Tax Assessor & Collector,
Austin, Texas.

Dear Mr. Marshall:

As per your request, I hand you herewith report on communication addressed to Mr. Adam Johnson, City Manager, and signed by John A. Gracy. The property referred to is improvements on Lots 12 and 13, Block "A", Outlet 51, Division "O", Benson Subdivision, Plat 19, located at 2206 Garden Street, and assessed in the name of Mrs. O. C. Rabish.

I have inspected this property and find it in a very bad state of repair. The shingles are about worn through, the foundation is badly decayed and the interior is in a bad condition. There is no water or lights in the house. In my opinion, the value placed by the unit people, which was Unit \$2.20, Depreciation 33 $\frac{1}{3}$ %, was a little too high even at that time. They placed a 2/3 value on improvements at \$1,720.00. I have revised the cards as shown and placed a 2/3 value on improvements for the year 1928, 1929, 1930 and 1931 at \$1,050.00 and a 2/3 value on improvements for the year 1932 at \$650.00. There should be no change in land values.

Respectfully submitted,
(Sgd.) C. P. Ledbetter."

The Mayor laid before the Council the following resolution:

WHEREAS, the improvements on Lots 12 and 13, Block A., Outlet 51, Division O, Benson Subdivision, Plat 19, located at 2206 Garden Street, and assessed in the name of Mrs. O. C. Rabish, was carried at a valuation of \$1,720.00 for the two-thirds taxable value for the years 1928, 1929, 1930 and 1931; and

WHEREAS, John A. Gracy, agent for this property, has protested to the Tax Department that the valuation on said improvements for the years 1928, 1929, 1930 and 1931 are too high, and that he paid the taxes on same, along with other property for which he is agent before noticing the valuation on the improvements; and

WHEREAS, upon investigation of the Tax Department, it is found that the unit of \$2.20 and the depreciation of 33-1/3% should be changed to \$2.00 for the house and \$1.00 for the shed attached and 50% depreciation for the house and 75% depreciation for the shed, making the taxable two-thirds valuation for the years 1928, 1929, 1930 and 1931, \$1,050.00; now, therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

THAT the Tax Assessor and Collector be and he is hereby authorized to correct the valuation of the above improvements in accordance with the foregoing, and to refund

to John A. Gracy, agent, the difference in taxes based on the old valuation and on the new valuation.
